PPO Plus Premier vs. PPO

* The PPO Plus Premier and the PPO plan have the **SAME** Benefits. The PPO plan has a more exclusive, smaller network, than the PPO Plus Premier Plan.

Network Size: The PPO Plus Premier network is significantly bigger than the PPO network. In New Jersey, there are about 9,000 participating dentists for the PPO Plus Premier Plan. The PPO Plus Premier is a combination of both the Premier and PPO networks.

For the PPO plan, the network is more exclusive. There are approximately 5,000 participating dentists in the New Jersey area.
